During the meeting, the delegation expressed serious concern over the prolonged delay in appointments against a large number of sanctioned vacancies in these colleges. DUTA highlighted that the continued dependence on ad hoc and temporary appointments is adversely affecting academic standards, institutional functioning, and the overall teaching-learning environment. The delegation also emphasised that the delay is placing excessive workload on existing staff and creating uncertainty among eligible candidates aspiring for regular appointments.

Key demands raised by DUTA are to grant post facto approval to all existing teaching and non-teaching posts duly created and filled in accordance with University and statutory norms, immediately initiate the recruitment process for teaching and non-teaching posts in all 12 colleges as approved by their respective Governing Bodies and coordinate with the University of Delhi to expedite appointments in line with statutory guidelines and established procedures.
