Sub: Immediate Implementation of Online Teaching Due to Severe Air Pollution in Delhi

Dear Prof Singh,

DUTA would like to apprise you of the serious concern over the hazardous air quality prevailing in Delhi, with AQI levels persistently in the “severe” range. The current situation has made it unsafe for students, teachers, and staff to commute or conduct classes in physical mode.

In view of the grave health risks and the continuing environmental emergency, DUTA demands that the University of Delhi immediately consider shifting to online teaching across all colleges and departments until air quality improves to safe levels.

The University administration must issue necessary directions without delay to ensure uniform implementation and to safeguard the health and safety of all members of the University community.

Regards,

(Prof. V. S.Negi)
President, DUTA

Secretary, DUTA
